GENERAL ORIENTATION PROCEDURES

The time required for orientation and settling in will vary for each child and their family, therefore it is important to be flexible and individualise orientation for each family.

- Offer families the opportunity to visit the service at different times during the day/session, this allows the child and their family to become familiar with the various routines of the service
- Provide reassurance to the family that they may stay with their child for as long as they choose during orientation and once the child commences
- Provide the family with suggestions for developing and maintaining a routine for saying goodbye to their child
- Reassure the family:
 - they can leave their child initially for a shorter day, gradually increasing the length of time
 - they may call and speak to their child's early childhood teacher or educator(s) at an agreed time
 - the early childhood teacher/educators will keep them informed on how their child is settling in
 - they will be informed about any changes or circumstances which may affect them or their child.
- Further considerations may include but are not limited to:
 - send an email during the day to update the family on their child including a photo of the child (if the child has settled in) (*refer to the information and Communication Technology Policy*). **Note:** For children in out-of-home care, the educator may need to seek permission from Child Protection before taking and distributing photos of the child
 - asking the family how they have settled in and if they have any questions or concerns.
- Refer to *Attachment 2* for the general kindergarten registration and enrolment procedures
- Refer to *Attachment 5* for cancellation of enrolment and non-attendance procedures.

BACKGROUND AND LEGISLATION

BACKGROUND

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (*Regulation 168(2) (k)*).

It is intended by 2022 that all eligible Victorian children (*refer to Definitions*) will have access to two years of kindergarten before commencing school. Where demand is higher than availability, approved providers must adhere to their eligibility and DET's Priority of Access criteria (*refer to Definitions and Attachment 1*) in order to allocate the available places. The criteria used to determine the allocation of places takes account of the requirements set out in DET's Kindergarten Funding Guide (*refer to*

Sources), the service’s philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2010*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Services participating in a central registration and enrolment scheme are required to comply with the registration and/or enrolment procedures of that scheme.

The Central Registration and Enrolment Scheme (CRES), co-designed by DET provides access to families to register for and secure a place for their children in kindergarten. It is a collaborative model that brings together councils, service providers, MCH staff, support services and other stakeholders to support children and their families. In 2020 more than half of all local councils across Victoria operate a form of central enrolment or central registration scheme. These schemes provide a single point of entry for families, simplifying the kindergarten enrolment process and improving equity of access.

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010 and Education and Care Services National Regulations 2011* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with an Australian Immunisation Register (AIR) Immunisation History Statement (*refer to Definitions*).

DEFINITIONS

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. approved provider, nominated supervisor, notifiable complaints, serious incidents, duty of care, etc. refer to the Definitions file of the PolicyWorks catalogue.

Access to Early Learning (AEL): a program for a child who is at least three years old on April 30th in the year of enrolment, providing intensive support to eligible families with multiple and complex needs, assisting them to access universal kindergarten programs.

Australian Immunisation Register (AIR) Immunisation History Statement: The AIR is a national register administered by Medicare that records all vaccinations given in Australia, including to

children. In the case of medical contraindication, an authorised medical practitioner completes and signs a Medical Exemption Form and supplies it to the AIR (previous forms of documentation, for example a letter from a GP or local council, are no longer acceptable).

Authorised nominee: (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

Children/families experiencing vulnerability and/or disadvantage (in relation to this policy): children are vulnerable if the capacity of parents and family to effectively care, protect and provide for their long-term development and wellbeing is limited. Some factors which may contribute to a child experiencing vulnerability include: a child with a disability; living in a family with a low income, or one which is experiencing problems with housing, domestic violence, substance abuse, or mental health; known to child protection; in statutory out-of-home care; Aboriginal and/or Torres Strait Islander, having a culturally and linguistically diverse background; having a young or sole parent, or a parent with a disability (adapted from the Kindergarten Funding Guide)

Children with additional needs: Children whose development or physical condition requires specialist support or children who may need additional support due to language, refugee or asylum seeker experience, complex trauma, cultural or economic circumstances (*refer to Inclusion and Equity Policy*) (*refer to Children/families experiencing vulnerability and/or disadvantage Definition*).

Central Registration and Enrolment Scheme (CRES): CRES provides a single point for families to apply for multiple kindergarten services within a local government area, helping them secure a place that meets their needs and enabling funded kindergartens to work collaboratively with other services to engage vulnerable and disadvantaged families.

Deferral: When a child does not attend in the year when they are eligible for a funded kindergarten place or is officially withdrawn from a service prior to the annual confirmation in April DET considers that this child has not accessed a year of funded kindergarten and is therefore eligible for a DET funded kindergarten place in the following year.

Early Start Kindergarten (ESK): Early Start Kindergarten provides eligible children with 15 hours of free or low-cost kindergarten each week led by a qualified Victorian Institute of Teaching (VIT) registered teacher. ESK is available to children who are at least three years old by 30 April in the year they are enrolled to attend the program and are:

- from a refugee or asylum seeker background, or
- Aboriginal and/or Torres Strait Islander, or
- known to child protection.

These children can also access free or low cost year-before-school kindergarten through the ESK Extension Grant regardless of whether they have accessed ESK in the previous year.

Early Start Kindergarten extension grants: provides eligible children with 15 hours of free or low cost kindergarten each week led by a qualified VIT registered teacher. The ESK extension grants are available to children attending kindergarten in the year-before-school and are:

- not eligible for the Kindergarten Fee Subsidy
- from a refugee or asylum seeker background, or Aboriginal and/or Torres Strait Islander, or
- known to child protection.
- A child is not required to access ESK in the previous year to access the ESK extension grant.

Eligible child: as defined by the Victorian DET Kindergarten Funding Guide:

- a child who is at least four years old on 30 April in the year of attendance; enrolled for at least 15 hours per week or 600 hours per year in a Four-Year-Old Kindergarten; and not enrolled at a funded kindergarten program at another service
- a child who is at least three years old on 30 April in the year of attendance and is enrolled in a funded Three-Year-Old Kindergarten for a minimum of 5 hours per week

- any child that is enrolled in an early childhood and education and care service must have an AIR Immunisation History Statement that indicates that the child is fully vaccinated for their age or who qualifies for the 16-weeks grace period

Enrolment record: the collection of documents which contains information on each child as required under the National Regulations (*Regulations 160, 161, 162*) including but not limited to parent details; emergency contacts; authorised nominee; transportation authorisations, details of any court orders; and health information including immunisation status. Enrolment records are stored securely in the service due to their confidential nature.

Kindergarten registration fee: a payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service, if applicable.

Kindergarten registration form: The process of families providing initial information about their child to confirm their intention to enrol in kindergarten, administered by the CRES Provider (*refer to Definition*) or by the kindergarten service. This includes collection of basic contact information, kindergarten preferences and any other details that may inform prioritised allocation in kindergarten (*refer to Attachment 3*)

Grace period: allows specific categories of children of families experiencing vulnerability and disadvantage to enrol and attend the service without an AIR Immunisation History Statement (*refer to Definitions*) or when the statement is assessed as not being up-to-date. Services complete the grace period eligibility form with families during enrolment, and keep a copy with the child's enrolment record. The 16-week grace period starts on the first day of the child's attendance at the service. During the grace period, the service is required to take reasonable steps to obtain the AIR Immunisation History Statement (*refer to Definitions*) and to encourage families to access immunisation services.

Kindergarten Fee Subsidy (KFS): Promotes kindergarten participation by enabling eligible children in funded three and four-year-old groups to access up to 15 hours of kindergarten delivered by a qualified early childhood teacher free of charge or at low cost.

Local Government Area (LGA): a geographic area governed by a local council or shire

Priority of access: in instances where more eligible children apply for a place at a service than there are places available, the service must allocate spaces using the criteria outlined in the DET Kindergarten Funding Guide (*refer to Attachment 1 and Sources*).

Registration: The process of families and carers giving initial information about their child to confirm their intention to enrol in kindergarten, administered by the service provider/EYM/CRES Provider. This includes collection of basic contact information, kindergarten preferences and any other details that may inform prioritised allocation in kindergarten.

School Readiness Funding: funding provided by DET for programs and supports that builds the capacity of kindergarten services, educators and families to support children's learning and development outcomes.

Second year of funded four-year-old kindergarten: second year eligibility may be considered when a child shows delays in key outcomes of learning and development. An assessment is carried out for each child by an early childhood teacher in Term 4 (the year before the child is to attend school) when a second year is being considered.

AUTHORISATION

This policy was adopted by the approved provider of Moriac Preschool on May 12th 2022.

REVIEW DATE: 12/May/2023

ATTACHMENT 1. ELIGIBILITY AND PRIORITY OF ACCESS CRITERIA

FOR A FUNDED KINDERGARTEN THREE OR FOUR-YEAR-OLD KINDERGARTEN PROGRAM

The approved provider must notify all families of the priority of access (PoA) policy that applies when they enrol their child.

In instances where more eligible children apply for a place at a kindergarten service than there are places available, services must:

- prioritise children based on the Department of Education and Training (DET) criteria listed below
- work with other local kindergarten services and the regional DET office to ensure all eligible children have access to a kindergarten place.

This criteria must be used by the approved provider when prioritising enrolments. Guidance is available from the Department's regional offices if required.

Service providers should build flexibility into their enrolment processes that consider the circumstances of families from priority groups.

If participating in a central registration and enrolment scheme, the CRES provider will allocate places in accordance with DET's PoA criteria, and other local criteria if applicable

Services must first apply the DET's PoA criteria, and following this may apply locally developed criteria, as per examples below.

All information relating to PoA criteria should be respectfully collected from families upon enrolment, recorded in the child's confidential enrolment record and entered into the Kindergarten Information Management (KIM) system, where applicable.

In the event that multiple applications are received on the same day, regardless of time of day and how it was received, all applications received on that day will be entered onto the waiting list randomly

Note: DET’s PoA guidelines are to ensure that kindergarten programs are available to those children who stand to benefit the most from attending early education. In mixed age groups, PoA guideline will equally prioritise three and four-year-old children that are considered high priority. Where programs for three- and four-year old children are provided separately, the PoA criteria will be applied separately for each age cohort.

KINDERGARTEN REGISTRATION PROCESS

Stage	Family Role	Kindergarten Role
1. Proactive engagement and awareness	Searches for information about ECEC and CRES. Receives information from a service provider, MCH staff or support service they have contact with.	Communicates information about ECEC to families
2. Application	Completes a application form. Uses the EnrolNow portal	Supports families to complete application forms if they find it difficult.
3. Allocation	Receives an update on the progress of their registration.	Allocates a program to each successful child

5. CRES planning, maintenance and development	Begins to engage with the service provider to start the enrolment process.	Supports families to enrol and begin kindergarten.

* If the kindergarten believes a family will need extra support completing a registration form or are likely to miss the first round registration date, refer them to the with the attached referral form. Moriac Preschool will follow up with this family or carer to offer support in getting their children into kindergarten.

Kindergarten application dates

If families miss the application close deadline, they can still register although they will be placed into a pool for second-round (or even later rounds) of allocation and are less likely to get their top preference. After second round offers have been confirmed, Moriac Preschool will continue to allocate children to kindergarten places where they are available. More places may become available as children move kindergartens or withdraw, or when kindergartens add capacity.

To fill out the application form, families will need to provide information about themselves and their child. At this stage they do not need to attach any supporting documentation.

The application form asks families for:

- Basic information about the child including name, date of birth, language spoken at home, previous kindergarten attendance and immunisation status.
- Details of any additional support the child might require due to a disability including intellectual, sensory or physical impairment.
- Contact details for the family or carer and any additional adults that should be kept informed throughout the process (e.g. another family member, a case worker or other support service staff member the family or carer trusts).
- Whether the child is identified as fulfilling any of the following criteria:
 - Is Aboriginal or Torres Strait Islander
 - Is from a multiple birth (triplet or greater)
 - Is known to Child Protection
 - Is in Out-Of-Home Care
 - Holds, or has a family member who holds, a Commonwealth Health Care Card, Commonwealth Pensioner Concession Card, Department of Veteran’s Affairs Gold Card or White Card, or a Refugee or Asylum Seeker Visa.
- Proof of identity: the child’s birth certificate, birth notice or passport
- Residential address question
- Whether the child has sibling that has previously attended the preschool
- Subsidy card and immigration visas (where applicable).

Enrolment

Once the kindergarten place has been accepted, the enrolment process can begin.

To enrol a child, families will need to provide copies of (if not already done so):

- Proof of identity: child's birth certificate, birth notice or passport
- Proof of residence: a utilities bill, rental agreement or rates notice with your family name and address (this must be the main residence of your child).
- Concession cards and immigration visas (where applicable).
- Documents from Family Support Services or a Maternal and Child Health nurse confirming high support needs and/or disability or letter from a doctor for complex medical needs (where applicable).
- Immunisation History Statement (unless experiencing vulnerability or disadvantage, at which point they can take advantage of a 16-week ‘grace period’. More information is available at <https://www2.health.vic.gov.au/public-health/immunisation/vaccination-children/no-jab-no-play/immunisation-enrolment-toolkit>)
- Documents detailing any medical conditions or requirements the child has.

Note: Places will not be allocated to children until any outstanding fees owed to the service by the family is paid, or a payment plan is agreed to between the family and the service (*refer to Fees Policy*).

Enrolment Records

Enrolment records (*refer to Definitions*) form part of the enrolment procedure and are completed by families after they have been allocated a place, and before commencing attendance. An example enrolment form can be found on the DET website:

www.education.vic.gov.au

Cancellations

Families to notify Moriac Preschool in writing of their intention to leave the service.

Second Year Registration

- Families of children who have been determined as eligible for a second year must complete and submit a kindergarten application form for a second year.
- It will be weighted with the relevant points and allocated accordingly.
- A Declaration of Eligibility Form for a second year of kindergarten must be completed and submitted to the relevant funding authority.

Children Younger than the Eligible Preschool Age

- If a child is aged less than four by April 30 in the year they are to attend Kindergarten, the family must request early school entry approval in writing for their child to attend school in the following year. Requests should be made to the officer in charge, usually a director of the relevant government education authority region, or the non-government school that the child will be attending.
- Should the child not attend school the following year, the child will not be eligible for another year of funded preschool, as identified in the relevant funding criteria.

Children Older than the Eligible Preschool Age

- Some children may turn six years of age during their preschool year. This is usually relevant in the case of children who have been identified as requiring a second year of preschool.
- Children who will turn six during the preschool year must apply for an exemption from school from the relevant Regional Director of the education department.
- Families must complete an 'Exemption from School due to attendance in kindergarten program' form before the child starts kindergarten and submit it to relevant regional office of the education department authority. The form is available on the website or by contacting the Regional Office.
- The kindergarten service must sight the approved exemption letter from relevant education authority and note that it has been sighted on the child's enrolment record. Data on the number of children attending Kindergarten who are six years plus, and confirmation that the exemption was sighted for each child, must be provided as part of funding data collection process.

Withdrawal

Some children who have commenced Kindergarten may benefit from withdrawing from the program, in order to access Kindergarten in the following year.

- A withdrawal can occur without any impact on government funding for that child's place the following year, only if it is implemented **before** the first funding data collection that occurs in, or around March each year.
- If a withdrawal occurs later in the year, the government funding will not be available in the next year.
- When a withdrawal occurs, a fee adjustment will be made of either correct invoicing or fee reimbursement.

- Are Aboriginal and/or Torres Strait Islander
- Are, or have parents or carers who are, asylum seekers or refugees
- Are eligible for the Kindergarten Fee Subsidy (hold a valid concession card or are a triplet or quadruplet)

If you believe you or your child are in exceptional circumstances which require prioritisation and are not covered by any of the above criteria, please contact Moriac Preschool to discuss.

Families who meet the Priority of Access criteria do not have to pay a fee to register.

Families who do not meet these criteria must pay a one-time non-refundable fee for kindergarten registration of [administration fee amount]

Yes

No

Under the 'No Jab, No Play' legislation, before enrolling a child, early childhood education and care services have to first obtain evidence that the child is up to date with all vaccinations that are due for their age, or that they are able to receive.

An Immunisation History Statement from the Australian Immunisation Register (AIR) is the **only form of documentation accepted** for the purpose of enrolling in an early childhood education and care service.

After enrolment, parents will need to continue to provide up to date Immunisation History Statements to their child's early childhood service, if their status changes.

You can get your immunisation history statement straight away by accessing your [medicare online account](#) via [my.gov.au](#)

If you can't use Medicare online, we can print your immunisation history statement for you.

You can also call the AIR enquiries line (1800 653 809) and ask them to send your immunisation history statement to you. It can take up to 14 days to arrive in the post.

Please note: Only Immunisation History Statements from the Australian Immunisation Register will be accepted as evidence of immunisation.

AUTHORISATIONS

Your consent is required for persons **other than the parents / guardians** to collect the child from the service on your behalf. These people are known as "Authorised Nominees". An "Authorised Nominee" is a person who has been given permission by a parent / guardian to collect the child from the education and care service. Please list the details of those people who you nominate below.

In the event that your child is not collected from the service and parents / guardians cannot be contacted, an authorised nominee will be contacted to collect your child. Parents/guardians may add to or change authorised nominee details at any time.

If your child has an accident, injury, trauma or illness and parents / guardians cannot be contacted, you may want your "Authorised Nominee" to be contacted in these circumstances and be able to consent to medical treatment. In an emergency, your consent allows the service to seek treatment when necessary.

Moriac Preschool

7 Clerke Court Moriac 3240

[Insert date]

Dear [insert name]

Re: Enrolment at Moriac Preschool for [insert year]

I am contacting you regarding your tentative place for [insert child's name] at [Service Name] in the [insert 3 year old or 4 year old program] in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided AIR Immunisation History Statement.

AIR Immunisation History Statement includes evidence of immunisations and is used to assess whether your child is fully vaccinated for their age.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, and your child is not eligible for the 16 week grace period, we are unable to confirm a place at our service for [insert year] and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- Surfcoast Shire Maternal and Child Health Services
- National Immunisation Information Line Tel. 1800 671 811
- Australian Immunisation Register: www.servicesaustralia.gov.au/individuals/services/medicare/australian-immunisation-register
- Better Health Channel website: www.betterhealth.vic.gov.au/campaigns/no-jab-no-play

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by an AIR Immunisation History Statement. The new application would be considered in line with Moriac Preschool's *Enrolment and Orientation policy*.

Yours sincerely
